A Monogram Initial Composition Lined

A personal monogram consists of three initials (first, middle and last names). If someone doesn't have a middle name, they often use a dual initial monogram or opt to use their last name initial only. A man's initials usually don't change—the exception is if he and his spouse use a hyphenated last name after they're married.

Monogram Initials 101: The Ultimate How to Monogram Guide

Three letter monogram. For one person (when the middle initial is either larger or emphasized in another manner): from left to right: The first initial – Last name – Middle initial. For one person (when all three initials are equal): from left to right: The first initial – Middle initial – Last name. For a couple: from left to right: The woman's initial – Last name – Man's initial.

A personal monogram consists of three initials: one for the first, middle and last names. If a person doesn't have a middle name, they can use a dual initial monogram (first initial + last initial) or choose to use their last name initial only. The initials in a personal monogram can be arranged in two ways.
