with any devices to read

In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

continuing to develop overall proficiency in Modern Standard Arabic, this book follows Mahdi Alish's popular Ahlan wa Sahlan beginner's text. The narrative follows two young characters whose personal journals provide not only reading passages for students but glimpses into various Arab cultures as the characters travel to Cairo, Jordan, and Syria.
