What Is An Auto Repair Estimate Auto repair estimates are called different names, including damage report, damage estimate, and auto estimate, but they are all basically the same thing. A damage estimate, however, is more than just a sheet of paper listing the total cost of repairs. An estimate is a contract or a mutual agreement between two people.

## **How to Become a Collision Estimator: Step-by-Step Career Guide**

Auto repair estimates used to be written by hand using Mitchell (or other publishers) estimating guides. This involved writing all the damage on an estimate form and looking in the estimating guide to get all the parts prices and labor times needed to estimate the job. Then the estimator would calculate the total.
