Taking the SAT Subject Test in either Biology Ecological or Biology Molecular can help you indicate to colleges that you are interested in focusing on science. The Biology Subject Test assesses your understanding of the major concepts of biology typically learned in high school and is an excellent way to showcase your achievements.

Biology E/M Subject Test - SAT Suite of Assessments

As for all SAT Subject Tests, you should only take a Biology Subject Test if you know you'll do well. If you're not sure how well you'll score, take and score a practice Biology Subject Test. If you get at least a 500, you're probably in a good place to score well with some additional practice. A low Subject Test score does reflect badly on you.
