Jiang, Youhan (周宗)

Maintenance data has direct influence on many processes of the AMO and contributes to demonstrate the overall capability of the organisation to perform maintenance. The maintenance data either can be arranged directly by the part-145 maintenance organisation (AMO) or provided by the customer/operator as specified by 145.A.45(a) and 145.A.45(g).

Part-145 | EASA

Block 12 should include (or refer to) detailed information on the work performed, the associated approved data (e.g. 'Overhauled in accordance with CMM 111, Section X, Rev 2, S/B 23 and FAA AD xyz complied with') as well as the EASA Part-145 statement and approval number.
