Simmonds is serenely effective at slice of life drama, whether over single page newspaper strips or fully realised graphic novels, so it’s a real surprise that as much as anything Cassandra Darke is a crime story. A very British one that plays to her strengths, but a crime story nonetheless, and having decided to focus on crime, Simmonds ...

One of those is Cassandra Darke, decked out in a boiler suit, thick boots and Trapper Hat, though she was only in search of macaroons from Piccadilly's Burlington Arcade, on a brief break from the gallery which she manages for her ex-husband. He's been semi-retired for a while now, with Alzheimer's.

Cassandra Darke by Posy Simmonds

Cassandra Darke is a bit different from her others, with a dislikeable heroine who has barely a redeeming feature. The story had me on tenterhooks, and I will reread it in a day or two and take my time. My only micro-criticism is that it all wraps up very fast at the end - I'd have liked a bit more detail about Cassandra's radical change of heart.
