Introduction to Chemical Engineering (Chemical Engineering ...

This is a pretty nice vintage copy of Introduction to Chemical Engineering by Walter L. Badger & Julius T. Banchero. I believe the book to be a first edition, but I am not an expert so have included a picture of the copyright page. The hard cover shows some shelf wear, but is in pretty nice condition for its age.

In the present day "lingo", the title of this book should be Introduction to Unit Operations. What is not well known is that this book, which was published in 1955, is the third edition of "Elements of Chemical Engineering" by Badger and Mccabe. Like the 1931 and 1936 editions, the writers of the book are from the University of Michigan.
