CP Advanced Imaging is a multi-modality diagnostic imaging center conveniently located in lower Manhattan, easily accessible via public transportation. All of our radiologists are on-site, Board Certified and subspecialty trained. We have been providing high quality imaging services in the community for over 40 years.

### CP Advanced Imaging

It is divided into six parts. The first two parts cover the X-ray tube and X-ray generators. Part three looks at general, multipurpose radiographic equipment. Part four considers fluroscopic equipment and the remaining two parts provide accounts of more specialized radiographic equipment and computer based imaging modalities.
