Codification Of Nigerian English Issues

This paper argues that English use in Nigeria needs to undergo some stages of development and description before a confident statement can be made as to whether a Nigerian English variety comparable to the British or American Standard English exists. Codification is one such step but prior to it must come a compilation of an extensive database of English language use in Nigeria and the application of empirical methods in examining and determining the character of English in the Nigerian ...

Codifying Nigerian English: Some Practical Problems of Labelling

(PDF) Codifying Nigerian English: Some Practical Problems ...

"Nigerian English has a whole host of what we call stereotyped phrases of salutations that would strike most native English speakers as curious at best and incomprehensible at worst. While some of these phrases are creative coinages or semantic extensions based on the socio-cultural uniqueness of Nigerian cultural expressions which the English language hasn't lexicalized, others are the products of an insufficient familiarity with the conventions and idioms of the English language.

Nigerian English - Culture and Language of Nigeria

Effective communication is a crucial factor in business success in the global village that the world has come to be. In Nigeria, the overwhelming proportion of business with the outside world is conducted using the English. The need for Nigerian business people to use the language effectively will obviously contribute to success rates in their various interactions with business people from ...
