Confidential theses. The principle that all research results should be freely available governs all research conducted at the University of Cape Town. Therefore, no-one will be allowed to undertake research for the purposes of an MSc or PhD, the results of which may not be published. However, on rare occasions there may be a good reason for a short delay in making the thesis available to anyone other than the supervisors and examiners (who will be placed under non disclosure agreement).

The essence of this study is first to highlight the cyber-security challenges confronting SMEs in developing economies, and to model a framework for safeguarding their assets, to ...

PhD Theses

At this stage, the basis of the opposite views seems to get blurred, and a "confidentiality culture" appears to be the main reason why easy access to PhD thesis is denied. This culture is a legacy of colonial laws that flourished in India to protect official secrecy and eventually came to dominate almost all spheres of life.

PhD Theses and Online Availability in India : | Economic ...

This thesis offers a fundamental exploration of how perceptions of medical confidentiality affect how records are made, sought and used in this context. Using data from twenty-eight in-depth interviews with survivors, clinicians and lawyers, I show how medical confidentiality is routinely undermined in cases of domestic abuse and sexual violence.
