The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

## **Example Of Critical Review A**

A critical review refers to the evaluation of an academic text (for example a book, report, article or essay). A critical review requires you to make judgments (using various criteria), about a book, a chapter, or a journal article. The criteria required to evaluate the information and knowledge contained in a text varies according to discipline. This implies that information technology, management, literature or sociology may require different criteria.

the author in your own words.

## **5 Steps to Write a Critical Review [Most Easy Way]**

Writing a Critique A critique (or critical review) is not to be mistaken for a literature review. A 'critical review', or 'critique', is a complete type of text (or genre), discussing one particular article or book in detail. In some instances, you may be asked to write a critique of two or three articles (e.g. a comparative critical review).
