Family Practice Examination Board Review

Family Practice Examination and Board Review, Third Edition is the ideal study guide for the primary and recertification exam in family medicine and for licensure exams. The third edition has been completely updated with new cases, new questions, and new study results--and you'll also find new bits of humor that make the book fun to read and your study more enjoyable.

Family Practice Examination and Board Review, Third ...

In my opinion, still the best review book for preparation for the American Board of Family Medicine Certification and Re-certification Exam even though the book itself is out of date and several topics need to be updated (I had used Swanson's in the past).

Amazon.com: Customer reviews: Family Practice Examination ...

Reviewed in the United States on August 4, 2005 I purchased the Family Practice Examination and Board Review about 2 months before the exam. I found it easy to use and it had good questions with explanations for why an answer was right and why the others were wrong. The little tips along the way were helpful as well.
