Women have been a proud part of New York Life's success throughout the company's history, from our first female agent, Minnie Tumbleson in 1868, to Anna Rusche, who became our first female general manager in 1923, and Mildred McAfee Horton, appointed our first female director in 1947.

How women power innovation at New York Life.

4 women innovators who are using tech to help others live better lives By Lina Zeldovich March 16, 2019 It's no secret women and men often see things differently.

These Female Tech Leaders Work to Improve Lives of Others

More women are entering and staying active in the patent system than ever before. The number of patents with at least one woman inventor increased from 20.7% in 2016 to 21.9% by the end of 2019. The "Women Inventor Rate"—the share of U.S. inventors receiving patents who are women—increased from 12.1% in 2016 to 12.8% in 2019.
