### **Gina Perry Behind The Shock**

In Behind the Shock Machine, psychologist and author Gina Perry unearths for the first time the full story of this controversial experiment and its startling repercussions. Interviewing the original participants—many of whom remain haunted to this day about what they did—and delving deep into Milgram's personal archive, she pieces together a more complex picture and much more troubling picture of these experiments than was originally presented by Milgram.

### **Behind the Shock Machine: The Untold Story of the ...**

"Behind the Shock Machine : The Untold Story of the Notorious Milgram Psychology Experiments" tells the story of how I set out to find them. But in piecing together the story of Milgram's subjects I found another and equally fascinating untold story - a story about the experiments themselves, and the man behind them.

### **About the Book - Gina Perry Gina Perry**

I had read mixed reviews about Gina Perry's book Behind the Shock Machine, and I suppose I come down somewhere in the middle on it. What the book does well is show the history of how Stanley Milgram conducted his famous experiment and its immediate aftermath, and this makes a huge difference how we want to interpret Milgram's findings.

### **Behind the Shock Machine: The Untold Story of the ...**

The shock machine had 30 switches 15 to 450 volts. With the first shocks the learner grunted in pain, but as the voltage increased, his protests and yells became more vehement. At 150 volts, he yelled that he wanted to be released, and at 240 volts he shouted that his heart was bothering him and he wanted to stop.

### **Milgram's obedience experiments - Gina Perry Gina Perry**

In Behind the Shock Machine, author and psychologist Gina Perry unearths for the first time the full story of these flawed experiments and their startling, long-lasting repercussions. Interviewing the original participants—many of whom remain haunted to this day about what they did—and delving deep into Milgram's personal archive, she pieces together a more complex and much more troubling picture of these experiments than was originally presented by Milgram.

### **Behind the Shock Machine | The New Press**

'As a younger man, I had done a little electrical work, house wiring and that sort of thing, so I knew what a 120-volt shock felt like and it was very, very serious. So when I saw this 450 level and "extremely dangerous", I thought, indeed it is.'

### **Book Extract - Gina Perry Gina Perry**

Behind the Shock Machine. 'It's rare that an original event as compelling as the Milgram experiments can be eclipsed by later commentary, but that's exactly what Perry manages in her painstaking and engrossing exploration..'. 'Riveting...Perry's research should change the way we view Milgram's work.'. 'A gripping read.'

### **Reviews - Gina Perry Gina Perry**

Behind the Shock Machine and 'The Experimenter' My verdict : This film appears to pull off a near impossible feat - making Stanley Milgram's obedience experiments boring. Partly because the film portrays ...
