Download PDF Hacking: The Art of Exploitation, 2nd Edition

Art of Exploitation is very dry, you have to have something in mind to approach that book and really have it grab your attention. It does not hold your hand. Hacking isn't about getting into the Gibson or gleaming the cube, it's real dry sometimes. You have to like research, you have to want to be an intellectual and a bit nerdy and tinker ALOT.

How to read Hacking: The Art Of Exploitation : HowToHack

5.0 out of 5 stars Hacking the art of exploitation book review. Reviewed in the United States on February 25, 2019. Verified Purchase. Great book that was delivered in excellent condition. The review of assembly really made me understand what C was doing under the hood especially the concept of pointers that had been difficult to grasp for a while.
