Legions of Rome: The Definitive History of Every Imperial ...

Another brilliant, magisterial work on the Roman military from Dando-Collins . . . but instead of the "biography" of an individual legion, as in many of Dando-Collins' earlier works, this is a "definitive history" of every imperial legion (note - does not include the Republican legions, sadly).

Legions of Rome: The Definitive History of Every Imperial ...

The title lives up to its claim, being a definitive history of every Roman Legion. Although there are repeats of information resulting from each legion's description and the historical narrative which follows the rise and fall of the Roman Empire, I still found it very complimentary.

" The Roman legion was the ultimate military formation of antiquity. The legion was a 4200-man unit at full strength, broken down into 120-man units called maniples. Most of the maniples went into battle as separate blocks of men in a square formation that looked something like a checkerboard from above.
