Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

Lettering Large The Art And

Lettering Large corrects the balance, assembling a huge overview of installations, inscriptions and artworks that use the power of the printed work to make their point. Whether letters are cut, carved, painted or punched, the book looks at ways in which typography and the built (and natural) environments have come together, with new works supported by plenty of historical precedents."

Lettering Large: The Art and Design of Monumental ...

This is such an amazing book. It is equally great with pictures and text information. It is perfectly separated in sections by type of lettering. It first gives history and then goes into typical lettering, 2 dimensional lettering integrated into buildings and then 3 dimensional lettering as art. I highly recommend this book!

Lettering can be simply defined as “the art of drawing letters”. A lot goes into making lettering look right, and that’s an entirely different topic, but the concept is very simple: a specific combination of letterforms crafted for a single use and purpose as opposed to using previously designed letters as components, as with typography.
