Use Practice tests. Taking practice tests under time constraints will help you estimate how much time you can afford to spend on each question. It will also identify which question types you need more practice with. Knowing in advance what the test instructions and the question types look like will minimize distractions from your main focus on test day: answering test questions and budgeting ...

To make it easier to compare scores earned across different LSAT administrations, your “raw score” is converted to an LSAT scale. This is the score you receive in your score report. The LSAT scale ranges from 120 to 180, with 120 being the lowest possible score and 180 being the highest possible score. Your LSAT Score Report
