This book speaks of the importance of literature to preserve culture and knowledge. But Bradbury is criticizing television as a promoter of consumerism. If a person abandons books, their criteria, and capacity to analyze the world is limited and the fault lies on TV and not governmental censorship. Fahrenheit 451 is a criticism against the media. 7.

There are books that speak to the mind, then there are books that speaks to the heart. Misunderstood is a book that's the latter. As a TCK who has hit her quarter-life crisis, I felt that Tanya's book has helped articulate many of the feelings I was experiencing that I couldn't make sense of myself.

The 11 Most Misunderstood Book Characters - Bustle

Many animals unfortunately suffer from a rather negative image in human culture, regarded by us as frightening, disgusting or just plain lowly. Nature, however, has no 'vermin' or 'pests' - all things have their place in the natural order of things, and in most cases, the benefits of an organism far outweigh its (accidental) inconveniences. Even animals many of us find 'ugly' are only ...
