About the Repository - Munich Personal RePEc Archive

Governments implement a variety of policies targeting international trade—both imports and exports—and they do so for a variety of reasons. In this chapter, we examine the principal instruments of trade policy used by modern governments. Our

goal will be to understand the impact each one has on the allocation of resources and on the distribution of welfare to consumers, producers, and ...

An important reason is the integrity of the archive and the RePEc services (NEP, CitEc). If a paper is taken from the archive, all links and references will become dead. This means that citations cease to be reliable. Another reason is related to documentation of priority of results. A crazy case would be that a paper is plagiarized and then ...
