In the Press | A Non -Cambridge Network | Cambridge Network

We made casual games for Real Networks, co-created DeathSpank, and made iOS games like The Big Big Castle and Scurvy Scallywags. Clayton just announced his latest game, Bartlow's Dread Machine.

Unfortunately I didn't work on the game, but

Read Book Neural Networks For Electronics

I have seen it and it's amazing. It's basically a video game built in 1900.
