The World Value Survey allows cross-country comparisons of self-reported trust attitudes. This visualization shows estimates of the share of survey respondents agreeing with the statement "most people can be trusted". 4 Countries can be added by clicking on the option at the bottom of the chart. As it can be seen, there are very large differences in levels, and trends tend to be fairly stable.

Understand hierarchies. When communicating with a different culture, there may be unwritten rules about social hierarchy that you are not used to. For instance, you may come from a culture where men and women are expected to communicate equally with each other but may have to interact with someone from a culture where men may do more talking in mixed company.

How to Communicate Well With People from Other Cultures

Countries with significant Chinese population. China, Hong Kong, Taiwan and Macau + 5,000,000 + 1,000,000 + 100,000 Chinese people are the various individuals or ethnic groups associated with China, usually through ancestry, ethnicity, nationality, citizenship, or other affiliation. 35.3% of all slaves involved in the Atlantic Slave trade went to Brazil. 4 million slaves were obtained by Brazil. 1.5 million more than any other country. Starting around 1550, the Portuguese began to trade African slaves to work the sugar plantations, once the native Tupi people deteriorated.

History of slavery - Wikipedia

Other People's Houses by Abbi Waxman is a 2018 Berkley publication. Blunt, but absolutely hysterical! Frances is "that" mom- the one who helps everyone, runs the carpool, is overrun with motherly instincts, but who also earns herself the slightly sarcastic nick name of 'Saint Frances'.
