As this our latin heritage, it ends in the works creature one of the favored book our latin heritage collections that we have. This is why you remain in the best website to see the unbelievable book to have.

Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Our Latin Heritage

Our Latin Heritage (Book III) continues to offer a traditional, "old school" approach to Latin 3 in which Cicero's four orations against Catiline form the backbone of the text. An extensive, complete review of basic Latin morphology, syntax and vocabulary introduces the text.
