Overwatch: Anthology Volume 1 is a graphic novel based upon the video game Overwatch. Overwatch is a first person multiplayer gun game and in my opinion it is so much fun. In this book it shares little chapters about each character. Each chapter explains back stories for some characters and just funny events that will eventually be put into the game.

Today I recived the Overwatch : Anthology Volume 1 and its pretty looking hardcover book. There are many comics in there as you can see on my pictures. Of course all comics have been released in the past and there is no extra content except the sketchbook part ( dont buy it cause of the sketchbook part - its only 11 sides long).
