Nurturing a dog or cat is not as easy as it looks from the outside. Suddenly, you find yourself fretting over collars, shampoos, treats... Once you have finally picked the right food, then you have to decide which method of feeding you are going to use. There are two main methods, both of which have their own benefits and drawbacks.

Choosing the Best Feeding Method for Your Cat | PetMD

Training does not generally bring up a vision of a cat obeying your every word. Yet, cats can be trained. What commands can cats learn? Cats can learn all sorts of commands - to sit, to roll over, to shake a paw. Cats like to do things in their own good time, so to train them we need to be really motivated, set aside some time and above all ...
