With some exceptions that vary by each city's charter, all city staffers are under the city manager's line of supervision. At times, the city attorney and city secretary report directly to the city council. Even in these situations, the vast majority of staff are under the manager's direction.

The Different Local City Government Positions

Via French, the word siege ultimately comes from the Latin word for "seat," which is what siege originally meant in English in the 1200s. By the late 1300s, siege was referring to a "military attack" on a specific target, usually a fortress or city, in order to seize control of it. A target experiencing a siege, then, is said to be under siege.
