A medley of cultural influences from around the world has helped make Southern food what it is today. At its core, Southern food is rooted in local and imported ingredients, necessity and frugality. It all began in Africa and Scotland -- fried chicken that is. The Scots had a tradition of deep-frying chicken in fat.

Southern Food History | HowStuffWorks

Respected Southern food historian and chef Rick McDaniel explores the history of over 150 recipes, from Maryland stuffed ham to South Carolina chicken bog to New Orleans shrimp Creole, without forgetting the meal's crowning glory: dessert.

Irresistible History of Southern Food: Four Centuries of ...

There was a strong Native American influence in the early beginnings of Southern food when slaves began arriving: crops like corn and techniques like frying. Then, you have crops and techniques that came over from West Africa with the slaves, like the peanut (or goober peas), okra (or gumbo) and stewing techniques.

...

This model will then be tested using archaeological data from the Southern Cook Islands. In this thesis it is proposed that the prehistory of Eastern Polynesia is greater than the sum total of individual island sequences. Instead, culture change in the region can be best understood in terms of inter-regional processes.
