### PSYCHOLOGY AND MEDICINE

Psychology strand in any medical school is always dreaded simply because the sea of opinions seem to serve the purpose of confusion and difficult revision. Ayers presents the work in a very attractive and easy to read manner and has plenty of relevant cases that make understand the available theorems well.

### Psychology for Medicine: Amazon.co.uk: Ayers, Susan, de ...

Psychology for medicine and healthcare is a very easy to use book. It is written in a manner which is very accessible for students and will be of great use. I particularly like the review questions and the coloured research boxes within each chapter which easily capture attention. A good overview of the place of psychology within the medical field.
