Some Kids Are Deaf: 9781474756884: Amazon.com: Books

Some Kids are Deaf is a book about children who are deaf. The book informs us on why some kids are deaf, tools used to help hear better, and ways of communication and speech. Also, the book tells how deaf people rely on their sight and sense of touch to understand what is happening. I did not mind the book. It was interesting learning about deaf people and the way they operate.

Amazon.com: Customer reviews: Some Kids Are Deaf ...

When a baby is born deaf then it is termed as congenital hearing loss, i.e. hearing loss is present from the child's birth. There are genetic and non-genetic causes for a baby to be born deaf. Congenital deafness may also develop later which occurs as a result of genetic causes or factors which affected the fetus in utero.

What Causes A Baby To Be Born Deaf & What is its Treatment?

Background Noise. For kids with mild to moderate hearing loss, background noise can be their biggest enemy. Since many... Acoustics. When a teacher stays in one place, children who are deaf/hard of hearing can be placed close to them. But... Back-lighting. For students who lip-read or work with a ...

How to Help Students Who are Deaf/Hard of Hearing Succeed ...

You must do more research on Deaf Culture and in the field of Deaf Education. Your terminology alone gives the wrong idea about Deafness. Not all, but some of these "10 Challenges" would be completely opposed by someone who has a first hand experience with Deafness in a school.

10 Challenges Deaf Students Face in the Classroom

Some children do not understand the differences in other people and I think this shows a great example of how people, who are deaf, are different. Not only does the book talk about how people are deaf, but it also discusses how they have gotten help or what they do to communicate, such as sign language.

Pebble Books: Understanding Differences (Paperback): Some ...

KODAs and Deaf Children . Kids of deaf adults are increasingly being integrated with deaf children, both in the classroom and in summer camps. When I asked why these children were attending the same summer camp for the deaf as my kids, the deaf parents with hearing children explained to me that sending their hearing children to camp with deaf children was one way to encourage the hearing ...
