This service manual contains detailed descriptions of all the repair and servicing procedures specific to this power tool series. As the design concept of model MS 210, 230 and 250 chainsaws is almost identical, the descriptions and servicing procedures in this manual generally apply to all three models. Differences are described in detail.

The MM55 is a homescaper product by Stihl's own admission. Versus the Mantis, which is operated by professional landscapers. (Not "lawn mowers," but nurserymen, install crews, etc.) If it were Stihl's pro-quality, they would be the first to tell you it was "Professional Quality." Funny they don't...
