I very much hope that this site will serve to generate a vigorous debate about issues concerning the history, culture, and politics of cigarette use in the United States and around the globe. I wrote The Cigarette Century to trace the remarkable rise and dramatic decline of cigarette consumption in the United States. Once a popular and prominent behavior, smoking has, as we have seen, become a marginalized and often stigmatized practice.

The Cigarette Century

The 19th century, known for its industrial development and numerous discoveries, created the first ever cigarette. Shortly after the James Buchanan's revelation- the person, known to the public as "Duke," a new way of life was being imposed. His creation produced a boom on American soil.
