The City of Tomorrow and Its Planning

And the result is 'The City of Tomorrow', a book not for the aesthetes but for statesmen." At the same time, Edgar Johnson wrote in the New York Evening Post that "M. Le Corbusier's extremely important book is an analysis of the problem of the city and a solution. It sidesteps none of the issues, admits the inevitable growth in population, the need for speed and centralization, and provides a reasoned and thorough overcoming of the difficulties.
