Food Memoir In Jessica Harris's "The Culinary Season of my Childhood" she peels away at the layers of how food and a food based atmosphere affected her life in a positive way. Food to her represented an extension of culture along with gatherings of family which built the basis for her cultural identity throughout her life.

General meaning. Seasonings include herbs and spices, which are themselves frequently referred to as "seasonings".However, Larousse Gastronomique states that "to season and to flavour are not the same thing", insisting that seasoning includes a large or small amount of salt being added to a preparation. Salt may be used to draw out water, or to magnify a natural flavour of a food making it ...
