Source: CEP. Two-thirds of foundation CEOs believe that foundations can make a "significant difference" on important issues in society, but far fewer say that foundations are currently reaching that full potential, according to a new Center for Effective Philanthropy report commissioned by the William and Flora Hewlett Foundation. At the same time, the majority of foundation CEOs surveyed ...

Examining the past and future of foundation philanthropy

An operating foundation could be a think tank, a museum, or a research group. Such foundations are not subject to distribution requirements, but they must spend a certain percentage of their income each year on their charitable purposes. One example of a private operating foundation is the J. Paul Getty Trust. Founded by Jean Paul Getty from an ...
