author uses the lessons of The Bhagavad Gita to explain the importance of dharma in our modern life. He gives detailed examples of how both great and ordinary people have used the Path of Inaction-in-Action (the four pillars) to discover their dharma and Dharma is our vocation or calling and it gives us the "blue print" for being our true self.

The term Great Work (magnum opus) is a term used in Hermeticism and occult traditions descended from it, most prominently Thelema. The Great Work signifies the spiritual path towards self-transcendence in its entirety. This is the process of bringing unconscious complexes into the conscious awareness, in order to integrate them
