Post-revolution states often find that once a transition process begins, challenges can arise, such as political polarization and the threat of civil war. A respected commentator on Middle Eastern politics, Ibrahim Fraihat compares three countries grappling with political transitions in the wake of the Arab Spring: Yemen, Libya, and Tunisia.

### **Unfinished Revolutions | Yale University Press**

"Kathleen Gerson's Unfinished Revolution is an elegant and powerful account of the gender and family revolution that has transformed our society and politics, viewed through the young adults who have lived through these transforming decades.

### **The Unfinished Revolution : How a New Generation Is ...**

In his 1988 work *Reconstruction: America's Unfinished Revolution, 1863-1877*, Eric Foner drives a final nail into the coffin of outdated interpretations of history. His fascinating account of the decade following the American Civil War shows that black people were an integral part of the movement to end centuries of slavery and were often key drivers of what successes there were in the Reconstruction period.
