I've gone from one set per exercise to four (starting today) and have increased the weights for each exercise. I also feel stronger than ever. This is my longest ever to stick with a weight routine! 2. Build my running back up to a decent level. My focus won't be on running, but I'd like to have a decent base (maybe 30 miles per week ...

Thinner Leaner Stronger: The Simple Science of Building ...

So you want to know how to get thinner thighs or skinny legs? Here's the thing: You can't spot-reduce fat or target-tone certain areas of your body. That's just not how weight loss works. You can, however, develop the muscles in your legs to appear more firm, "toned," and, most importantly, to feel strong and capable.
